**COMING TO YOUR CITY**

# YOUR NEXT LEVEL STARTS NOW!

*The winning strategy to navigate the next wave of the Spirit is the combination of both the on-air and ground operations. We must integrate virtual with the actual.*

**We are on the verge of a major global shift that will eclipse everything we've known in a by-gone millennium.** I sense an urgency in the Spirit. God's voice resounds saying, "Time's up!" As the world is going through a reset, everything in your life should also evolve to the next level. You have stayed long enough in the valley of limitation, surviving on 'just enough' or scavenging through the crumbs of 'not enough'. This is your season of overflow and it's right about time for something new to happen in your life. My distinct assignment to the Body of Christ is the activation of the consciousness of the Supernatural Person, Presence, and Power of God that will empower you to fulfill your God-ordained destiny. Many of God's people are laden by unpleasant circumstances of life and continue to battle with the gravitational pull of stagnation and delay of their

prophetic destinies every day. Much of my personal time of prayer is dedicated to asking God to break the diabolical stronghold away from his people and release the saints to experience the tangibility of His purpose in their personal lives.

If you are not well aligned with the frequency and rhythm of the Spirit, there will be a disconnect between what God is doing in His realm and the things you are experiencing in the earth realm in your life. God will not condescend to the limited realm of the natural again. He did that once when He took the form of a man in Jesus. Now He seeks to lift us up by the power of His Spirit into His realm of limitless possibilities and miracles so that the sons of men might manifest the power of the Kingdom of God. .

**God has restricted himself to the point that he needs your permission to operate in your life.**

# "2022 THE YEAR OF YOUR LIFE"

JANUARY 1ST 2022 WILL BE THE FIRST DAY OF THE BEST OF YOUR LIFE. Behold, I will send my messenger, and he shall prepare the way before me: and the Lord, whom ye seek, shall suddenly come to his temple, even the messenger of the covenant, whom ye delight in: behold, he shall come, saith the LORD of hosts. Malachi 3:1

**APOSTLE BIBLE DAVIDS.**

The coming year 2022 carries the prophetic burden as the YEAR OF YOUR LIFE. God will unveil the mystery of His will for your life. It is a year of the distinct manifestation of God in each believer's life. Your unique covenant walk with God will be brought to open display. It's a year specially designed for the people who carries the Presence and fire of God's Spirit in the earth realm.

The next level of your life will open up and supernatural alignment of time, place, opportunity, resources and potential will produce God's purpose and possibilities in a way you've never experienced before. Year 2022 is the year of your life. It will be a major turnaround year and the manifestation of the Takeover Generation.

It's the year of personal reward of sacrifices and commitment to God. Those who have been praying, seeking God in truth and in Spirit will experience phenomenal outpouring of long awaited promises.

***"Behold, I will send my messenger, and he shall prepare the way before me: and the Lord, whom ye seek, shall suddenly come to his temple, even the messenger of the covenant, whom ye delight in: behold, he shall come, saith the LORD of hosts.***  
***Malachi 3:1***

Year 2022 will favour those who know their God and are consciously walking with Him. Those who are born of God will have their opportunity to shine and reveal God unhinged. Events will occur that will magnify the Name of Jesus Christ in the earth realm and ignite a new wave of attraction towards the Gospel especially on social media. God is set to break barriers and use young people that yield themselves to His glory.

2022 will welcome you to your destiny and the next level of the capacity of the will of God for your life. It will be the year that will draw the line of demarcation between your past and your future.

2022 is the year of practical engagement of destiny. No more mere words; just talking about what God will do in you and through you, it is now the season to do what He has called you to do and to manifest major results. Eagles will soar in 2022 and chickens will continue to pick things from the floor.

No one who is taking God seriously will go through the year on a low key - it is the year of your life. Technology will continue to drive the frontline preaching of the Gospel and grassroots revival will be ignited across the world. This surge of revival will overrun spiritual complacency and apathy that seem prevalent post COVID-19.

Those who are willing to take big leaps of faith will take the lead and those who would rather settle will follow. The New Year will usher in a new era of distinction between the lion and the lamb - between producers and consumers - between miracle workers and miracle seekers.

**"Those who will win, will win big and those who are indifferent will loose big. There will be no middle ground in 2022 ."**

Prophetic Order for 2022  
The Year of Your Life.

**In 2022, the world will burn. There will be a spiritual fire of revival that will sweep across the length and breath of the world. In the natural world, there will be such heat in the climate that will make world record. Politically, there will be unrest in many parts of the world, especially the Middle East Economic activities will heighten around the world. The year is represented by the symbol of fire and the Eagle.**

The world will adjust itself to a new God-Order that will be enforced by a Kingdom Takeover Generation. Many who were considered insignificant will suddenly emerge out of the shadows and take positions of prominence on the global stage. In 2022, the world will burn. There will be a spiritual fire of revival that will sweep across the length and breath of the world. In the natural world, there will be such heat in the climate that will make world record. Politically, there will be unrest in many parts of the world, especially the Middle East Economic activities will heighten around the world. The year is represented by the symbol of fire and the Eagle.

Empowered by the Spirit, a new movement of Spirit filled believers will be stirred to engage mega kingdom assignments both online and onsite and the resources that are required will be supernaturally provided. Massive harvest of souls will take place especially among the youths. The authentic message of the Kingdom will be restored to the Body of Christ.

Mediocre low thinkers and lukewarm believers will only receive leftover blessings except they make a drastic change.

# Major political leader will pass away and it will shake the world a great deal

Look out for signs in the element as heat and forest fire spreads across the world. Longer summer and shorter winter will characterize the year 2022.

***"The powers of the heavens will be shaken' Matthew 24:29***

Do not be alarmed when you begin to see shakings in the heavens and the very forces of nature begin to cringe. These are signs of the second coming of the Lord Jesus Christ and they will become more evident as we get closer to the end. The travailing of nature itself will bear evidence to two things; firstly the manifestation of the sons of God and the soon return of Jesus Christ to rapture the saints. We will see more signs of the coming of the King of kings in the year 2022

## **"2022 is the year of the future and the hallmark of major shift in technology and medical science that will reshape the world as we know it"**

A major monarch will pass on and this event will shake the world and challenge millennium old monarchical institution. America is on a prophetic agenda with God in the year 2022. The whole Nation will be torn into more disparity as the battle between the forces of light and darkness heighten for the very soul of America. In the middle of the year, there will be agitations and chaos caused by the underlining factors of race and economic divisions which has polarized America for centuries. The politicians on the Capitol Hill will battle ferociously, capitalism against socialism and immigration will be on the headlines too. America will be tested to the highest level in the year 2022. A major idol of the people, a female artist will pass on. Her death will shock the world and make headlines because she would have died without reaching full old age. Many troubling revelations will hit the political landscape of the United States of America. The world will stand still and observe as the powers that be shake and the Nations tremble in 2022

# HOW TO GET READY

THE NUMBER ONE FACTOR TO SUCCESS IN THE YEAR IS TO PUT GOD FIRST AND LAY THE FOUNDATION OF YOUR LIFE ON THAT TRUTH, THEN BUILD ON IT USING THE FOLLOWING BUILDING BLOCKS;

- **BE CONSCIOUS OF THE HIGHER PURPOSE OF GOD FOR YOUR LIFE**

Consciousness means to become aware of something. Wake up to the purpose and essence of your being. Do not live your life to impress others or live in the mundane

- **ESCAPE YOURSELF**

You need to embrace the mentality of a problem solver. If your life centers around you, it does not increase in value. Self-conceitedness is a thief of seasons and time

- **DO NOT RESIST CHANGE**

The world as we used to know it has changed forever. New world realities is now dictated by technology. You have to imbibe these relevant skills to succeed.

- **START MAKING SACRIFICES**

Do not eat up your future by subscribing to instant gratification. The people that will execute destiny will make sacrifices at the beginning. Navigate by commitment and not by convenience.

- **PEOPLE SHIFT - BE COMFORTABLE WITH PEOPLE LEAVING AND COMING**

People are carriers of energy and essence. Be intentional about the people in your life and the purpose they serve. Don't be afraid to let the wrong people go and the right stay

- **MAKE LIFE ALTERING DECISIONS**

Achievers win by making solid decisions that will alter their reality. Not to decide in itself is deciding to fail. Empower your destiny through the force of winning decisions.

- **UNLEASH THE POWER OF A MENTOR**

When God wants to bless you, He puts someone in your life who has been where you want to go. In 2022, connect with a higher authority and receive mentorship.

- **CHANGE YOUR LANGUAGE**

Speak the language of your future. Do not repeat the vocabulary of your past. Call forth your next level. There is power in the spoken words, use it to your advantage.

# KEEP ENFORCING YOUR DOMINION IN WARFARE

**Prophetess Becky Bible-Davids**

The art of spiritual warfare is not just a desire, it requires skill and intentional engagement. Many people have been living a passive life when it comes to the expectation of the prophecies that have been spoken over their lives. This is an error. Prophecies are actually for welfare. For every prophetic child of God, you must make sure that you do not engage issues from the realm of the natural but from the realm of the supernatural with the powerful weapons of warfare.

Yes, we are not fighting for victory because Jesus already conquered, however we are fighting from victory because our enemy is a law breaker and we must keep enforcing our dominion in warfare.

Did God promise you a miracle child? Have you engaged in prayers, fasting and the Word to see the manifestation of that prophecy being fulfilled? These kinds of prayers cannot be left to chance, it must be intentional and deliberate in order to bring about the desired outcome.

The moment God releases a prophetic word over your life, engage it. Maybe the prophecy came by word of knowledge, word of wisdom, scriptures, vision, perception, inner witness, dream or what have you, you must be ready to get into the place of prayer to contend for your promise.

The devil will not roll out a red carpet and usher you into greatness without trying to stop you. The good news is you have what it takes, and Christ has already given you victory, you just need to enforce it by standing your ground and remaining immovable.

## PAUL'S WORD TO TIMOTHY CANNOT BE LIGHTLY ESTEEMED IN

1Timothy 1:18 (KJV), "This charge I commit unto thee, son Timothy, according to the prophecies which went before on thee, that thou by them mightest war a good warfare;"

When prophecies, either good or bad, are revealed it is for the warfare and not for casual perception. When God sends a prophetic word of deliverance, it requires you to fight because the moment the prophecy is spot-lit, the same light that revealed it to you has also revealed it to the power of darkness and they will always attempt to stop it. Many people believe that God has spoken over their lives and all they need to do going forward is fold their hands and expect it to land on their laps. This is an illusion to defraud you by the devil.

The prophecies are for warfare. The moment the star of Jesus was seen, oppositions from Herod began to seek to kill the little king. The Lord needs to awaken you to be ready to roll up your sleeves and contend for your promise. If the prophecies are good and from the Lord, engage and enforce its fulfillment by the validity of the word of God. The word of God never fails. We must anchor every prophetic word on the scripture and know that God will bring it to fulfillment.

**"The moment God releases a prophetic word over your life, engage it."**

# RAISING KINGDOM GIANTS

## APOSTLE BIBLE DAVIDS

The supernatural intelligence of God always emphasizes leadership as the strategy to bring about a change and establish a God-order in any situation. Whenever God wants to change a region, family, or a dispensation, he seeks a candidate, separate him from the crowd, activates him and then cultivates him until he becomes the embodiment of the new order that God wants to establish in the earth realm.

The special assignment of raising seasoned Kingdom leaders both in the church and in the market place was imprinted in my spirit many years ago. As part of the commission of

Supernatural Life Center, we have the mandate from the Lord to raise leaders, empower and deploy them to build the Kingdom of God.

Leadership is cutting-edge and requires extra work. Beyond the massive crowds that constantly gather at our services and outreaches, I am constantly working closely behind the veil with a team of select individuals who demonstrate the willingness to go the extra mile and pay the price of leadership because you cannot be in leadership with a mundane mentality. To raise leaders is very intricate, it's similar to building a house - it requires many layers of encouraging, teaching, molding, mentoring, building, praying, counselling and practical demonstrations of the gifts and calling.

We do all these through different initiatives, such as the Bible Davids Mentorship Academy, Supernatural Leadership Institute and Supernatural School of Ministry. All these have produced cutting edge leaders who are doing exploits in the Kingdom today on a global level.

Supernatural Life Center Canada ordained 25 candidates into the five fold ministry on March 8th 2020. Prior to their ordination, they were trained and empowered through the dynamic Ministry of Apostle Bible Davids. The glory of God filled the room and all the ordinands beamed with joy and fulfillment in their beautiful ordination regalia. This event would mark the beginning of a new phase in their lives- God was committing a responsibility of eternal value to their hands.

Another special feature of the day was the presence of one of the fathers in the faith; His lordship; Bishop Felix Adejumo the presiding Overseer of the Agape Christian Ministries who teamed up with Apostle Bible Davids and Prophetess Rebecca Bible-Davids to anoint the ordinands and separate them for the work of the ministry. In the coming months and years, everything that these ordinands have learnt will be put to the test. Beyond the glitz and the glamour of Christian ministry, the evidence of an authentic ministry is changed lives.

We know that when God calls, He empowers. The world will not remain the same because of the impact that these seasoned men and women of God will make. I pray God's grace and favour in all they are called to do in the Name of Jesus Christ.

By God's grace, Supernatural Life Center continues to raise more Kingdom Leaders both in the ministry and in the marketplace. If you sense the call of God upon your life or just want to develop your leadership capacity and develop your gift and calling, you can enrol in one of our Leadership Programs and be equipped for what God will do next in your life.

***"You cannot be in leadership with a mundane mentality."***

# LOOP THE NATIONS

**WE ARE IN THE GREATEST HOUR OF THE HARVEST OF THE CHURCH  
AND THE HOLY SPIRIT IS DRAWING IN THOUSANDS.**

For close to four years, I held on to the precious vision to transform the city of Toronto Canada with the power of the Gospel. My wife and I laboured tirelessly alongside our ministry team. We believed God for mighty harvest, we poured everything on the altar conducting nightly revivals, preaching the Gospel with the demonstration of Kingdom power, praying for the sick and casting out demons in the Name of Jesus Christ at our Church, Supernatural Life Center located in the heart of Toronto, Canada. Even when we lost our first building at Steeles Avenue, we were not deterred, we believed God for a new building at Orfus Road in the commercial and most populated part of Toronto.

And oh my! God sent the harvest, countless lives were saved, healed and delivered. Throughout 2019, we were in the heat of a massive revival. That same year, a huge burden was placed in my heart by God. As I set my face in prayer and fasting to seek the Father about the heaviness

I felt, He shared many secrets of heaven with me about what's coming in 2020 and also spoke to me in respect to our ministry, I heard the Lord said to me, "Loop the Nations". At that point, the Holy Spirit gave me the blueprint of an intercontinental harvest of souls. He said, "The time has come to birth the worldwide ministry I told you about many years ago". The Lord instructed me to train and ordain leaders that would continue the work in Canada - this I did in March 2020 when we ordained 25 Candidates into the five fold ministry.

While I was strategizing and planning for the work ahead, COVID-19 hit the world in March right after our ordination service - so just like the rest of the

world, we were put in massive restrictions and plunged into the online service which continued till the following year. However, in November of 2020, I was on a long retreat in Houston, Texas and the Lord told me, emphatically, "The ongoing restrictions in Canada will not be lifted, it will continue throughout 2021, take this opportunity to Loop the Nations beginning from Africa". on my return to Canada, my family and I made the trip to Nigeria where the journey had started for me many years ago, and was now

**MUSIC TALENT HUNTING LAGOS AND WINNER RECEIVING CASH PRIZE OF ONE MILLION NAIRA**

becoming the prophetic trigger point for the evolution of the intercontinental dimension of our ministry, right at the heart of COVID-19. We continued to minister online to all our congregations in Calgary and Toronto in Canada while working to break the ground for a mighty harvest of souls in Lagos. When we first arrived, we visited our spiritual father Bishop David Oyedepo who prayed for us and released God's blessings on the new work. God gave us incredible open doors and provided a big facility for the ministry in the Lekki area of Lagos.

Instantly we went to work and conducted a massive Gospel campaign with thousands in attendance, planting a dynamic church, feeding programs, youth development initiatives and women

empowerment. God provided the resources, so we mobilized an army of God-chasers in Lagos. Every indication pointed to the fact that God had sent us on this mission, so He prospered our work and a mighty seed has been planted in the region that would continue to blossom in the coming years. While the work in Lagos still continues, the Lord is opening more doors to other Nations all over the world and we will continue to loop the Nations and bring in the harvest of souls on multiple continents, plant churches, conduct Supernatural Experience outreach, feeding programs, prayer and women conference - these are very close to Becky's heart, youth empowerment initiatives and leadership training to preserve the harvest.

From North America to Africa, Asia, Europe, Middle East, Australia, South America and everywhere - we Loop the Nations for Jesus Christ - that's our new normal. The Lord also stirred up the heart of many harvesters from Canada and the US who flew to Lagos to help us in the assignment at different times.

# POWER OUT

## PASTOR SHARON OSBORNE

As we survey the landscape of the world, I believe we would agree that it is not quite the same, we are living in a time where the world around has changed in every aspect; financially, layoffs at work, slowdowns in the economy, the level of social unrest has increased around the world.

Even in our weather patterns, it is not the same time. I believe for the Body of Christ, that we are living in a Kairos time - a time which operates within human time but during that time there is the fulfillment of God's ultimate purposes.

When Jesus came the first time it was a definite kairos moment—a time of fulfillment, a time of judgment and a time for God's promises to become operative.

As the Body of Christ in this season we need to diligently apply our attention and efforts to the advancement of the Kingdom of God. Jesus has given us a clear mandate according to Matthew 28:18-20, "And Jesus came and spoke to them, saying, All authority has been given to Me in heaven and on earth.

Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age. Amen."

**AS BELIEVERS WE HAVE A  
PIVOTAL ROLE TO PLAY IN THE  
ADVANCEMENT OF THE KINGDOM  
OF GOD FOR WE ARE  
AMBASSADORS FOR CHRIST.**

The Kingdom of God reigns with Authority, Deliverance, Healing, Power and Salvation to free fallen man - freeing people from the grips of the kingdom of darkness.

As believers we have a pivotal role to play in the advancement of the Kingdom of God for we are Ambassadors for Christ. Once you have said Jesus Christ is Lord of your life and are saved - you have a mandate set by God and a ministry, you are called to be Ambassadors for Christ and have a ministry of reconciliation according to 2 Corinthians 5:20, All this is from God, who reconciled us to himself through Christ and gave us the ministry of reconciliation: that God was reconciling the world to himself in Christ, not counting people's sins against them. And he has committed to us the message of reconciliation. We are therefore Christ's ambassadors, as though God was making his appeal through us. We implore you on Christ's behalf: Be reconciled to God. " God has called each one of us to be Kingdom people. He desires the fullness of His love and power flowing in each of our lives such that we can touch and embrace a lost and broken world with His power and His glory.

**As we are Ambassadors for Christ, Let us consider the characteristics of the role:**

**Ready-** An Ambassador is alert for chances to represent Christ and does not shy away from the opportunities God presents to share the gospel of Jesus Christ. We are therefore Christ's ambassadors, as though God were making his appeal through us. We implore you on Christ's behalf: Be reconciled to God. "

**Clear-** An Ambassador is careful with language and speaks according to the Truth of the Word of God.

**Attractive-** An Ambassador operates with grace, kindness, and good manners. We are to be fully clothed in the full armour of God, clothed in the identity of Jesus Christ.

**Dependent-** An Ambassador does not operate in their own strength but depends on the prompting, leading and wisdom of the Holy Spirit. So what stops us from being a witness and sharing our faith - limiting us from fulfilling our role as an ambassador for Christ? If you were to take all the reasons people don't share their faith in Christ and boil it down to one issue: the fear of what other people would think. Satan (the ruler of the kingdom of darkness) uses fear to keep people bound - fearful to share their faith. The word fear comes from the root word phobos, which means "to be in bondage" "cowardice" "immobilized" - practically speaking you have an opportunity to share your faith, you love God, you know the word - but when the opportunity arises your palms start to sweat, your tongues gets tied up - the spirit of fear grips you.

Whenever we shy away, the Gospel loses and the kingdom of darkness prevails. Jesus said, "Whoever acknowledges me before others, I will also acknowledge before my Father in heaven. But whoever disowns me before others, I will disown before my Father in heaven." (Mat 10:32-33) - Think about that scripture for yourself -just for a moment. "For am I now seeking the approval of man, or of God? Or am I trying to please man? If I were still trying to please man, I would not be a servant of Christ." (Galatians 2:10)

### **THERE ARE 3 CORNERSTONE ELEMENTS THAT GOD GIVES US TO OVERCOME FEAR:**

The beautiful truth is that according to 2 Timothy 1:7, God has not given us the (evil) spirit of fear, but (Holy Spirit) power, (Father God's) love, and a sound mind (renewed by Jesus, Who speaks God's word to us in Scripture).

#### **Power of the Holy Spirit**

Jesus knows each and every one of us, and He knew that we could not advance the Kingdom of God in our own strength - but we need the Power of the Holy Spirit. Acts 1:8, we see that when the disciples were given their charge they were given power to do the will of God "But you shall receive power when the Holy Spirit has come upon you; and you shall be my witnesses in Jerusalem, and in all Judea and Samaria, and to the end of the earth". It is only by the anointing of the Holy Spirit that you can overcome fear and be equipped and empowered. By faith make a clear choice to yield and operate in the Anointing of the Holy Spirit in you such that you can fulfill your assignment as an Ambassador of Christ.

#### **Love of Father God**

Accompanying the power to speak the truth about the gospel of Jesus Christ, We must have God's love for the lost. Love separates Christians from the broken lost world around us. Jesus promised, By this all will know that you are My disciples, if you have love for one another" (John 13:35). "For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life." (John 3:16). As God gave his only Son to die for our sins - the ULTIMATE love gift to the world - to you and to me - how much more should we not share that beautiful truth with the world around us.

In prayer - pray that God will give you a heart of compassion for the lost. Pray for God to bring along your path every day those who are ripe and ready to receive the beautiful truth of the cross that Jesus died for them such that they would not perish but have eternal life.

#### **Self-Discipline**

This can also be translated "self-control" or "sound mind." This is not operating in a position of self-effort. Bible declares in Romans 12:1-2, "present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service. And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God." This scripture admonishes us that our minds can be transformed from a place of being self-focused to where we present ourselves for God's service - to be used for His Glory so that His Perfect Will is done.

## Mr Harryson Naiho

I came to church and while the man of God was preaching, he made mention of someone who was healed of arthritis at the knee. I was having this pain for about 4 months now. After the ministration I decided to check if the pain was still there and I found out that the pain was gone all Glory to GOD.

## Deaconess Cheryl Gardner

I walked through the doors at SLC Toronto for the first time in the summer of 2018. As I was invited by my God-daughter. Things and situations in my life began to shift. I am so thankful to God for the house! His presence is evident. The love of God resides here and the fire on this altar is real. Apostle has a special anointing on his life and the oil runs down.

## Mrs Helen Kayode

I was diagnosed with stage 3 kidney disease for 2 years, the two kidneys were affected and the pain was unbearable. Apostle Bible Davids called out the sick people and I came out, he laid hands on me and instantly I was healed and I could not feel any pain again.

## Miss Aribo Grace

For the past 9 years, I used to have migraine on the right side of my head, which comes and go. Precisely on September 2021 during the Sunday Service, Apostle called every sick person out. He laid his hands on my forehead. The Migraine became intense, After he released his hand, I said to myself. "I receive my healing in JESUS NAME". Immediately, the pains left. From that day till now the migraine never came back.

## Salvation

Did you know it is possible to know whether you have everlasting life? Did you know that, according to the Bible, if you repent of your sins (feel regret or remorse for them) and receive Jesus Christ into your life as Lord and Savior, you will be saved from eternal punishment in Hell when you die?

### Don't you think that is wonderful news?

Would you jump at the opportunity to accept a genuine offer on how to gain eternal life? If so, the Bible has some good news for you. When it comes to eternal life, God makes no distinction between the famous and the unknown, the rich and the poor, the unselfish hero and the repentant murderer.

People will not go to Heaven because of their good deeds, nor to Hell because of their sins. And this is a good thing because if people went to Hell because of their sins, everyone would go there. So God has made a way of escape for us.

*Dear Father in Heaven, I realize that I am a sinner and need forgiveness. I believe that Jesus Christ died for my sins [wrong doings]. I am willing to turn from my sins and live the life you want me to live. I now ask Jesus Christ to come into my heart and I receive Him into my life as my personal Savior. I am willing, by God's grace, to follow and obey Christ as the Lord of my life. Please forgive me for my sins and save me.*

*If you prayed the Prayer of Salvation, we would love to hear from you!*

# Fathers Take You Further

## POWER OF SPIRITUAL FATHERHOOD

### APOSTLE BIBLE DAVIDS

A whole generation is on the verge of being led astray and run renegade because a significant part of heaven's order is being trampled upon; the principle of Kingdom Fatherhood.

"There are those who curse their fathers and do not bless their mother" Proverbs 30:11.

Fatherhood is very essential to everything that God is doing in each generation and in the life of

individual believers. This is why the enemy is using different tactics to disconnect the younger generation from the flow of grace that comes through the blessing of the fathers in the faith. Spiritual fatherhood was designed by God as the mirror of His love and grace in the earth realm. True fathers carry the responsibility to cover, protect, mentor, nourish and counsel their spiritual sons.

#### Important truths about Kingdom Fatherhood

- **It is the channel for the Transfer of Mantles**

After the day of Pentecost when the Holy Spirit was first released on the early church, the release of power has been through impartation.

(Acts 8:17-19, Acts 9:17, Acts 19:6 1 Tim 4:14, Acts 6:6, 2 Tim 1:6)

Everywhere in the New Testament when people received the anointing, it came through a vessel by laying of hands. When you ask God to pour on you some measure of His anointing, He will often

lead you to someone who is walking in that realm of anointing and create the opportunity for you to receive the impartation of that gift.

- **You can't count on any man who is not accountable**

Many have made a shipwreck of their ministry because everyone in their organization answer to them but they answer to nobody. It is dangerous to give authority to anyone who is not under authority. True fathers are called to keep you in check and balance, keep you accountable and help you bring order and stability to your assignment through godly counsel, experience and sometimes rebuke. Many things that are blurry to the younger generation are crystal clear to the fathers because they have experienced them in the past. It is wise to tap into that flow of influence because isolation brings desolation.

- **Honour is the key to access favour**

Pride and self-conceitedness is the road to ruining Godly relationships. Humility will always endear you to favour and will keep those doors open.

You cannot attract what you dishonour. Those who engage life and ministry casually end up as casualties. The higher you go, the stricter the protocol. The office of the Mayor is not as intense as the office of the Governor and the office of the Governor is not as intense as the office of the President. If you want God to give you healthy relationships at the highest echelon of life and ministry, you need to be cultivated in the protocol of that level. Joseph had to shave himself and changed his clothes before he could appear before Pharaoh. Gen 41:14

We are called to honour all men. 1 Pet 2:17 and then to bring double honour to our spiritual fathers - 1 Tim 5:17 that's the key to access the grace of God on their lives.

***"Honour is the key to access favour and cultivate Godly relationships that will add value to your assignment"***

# MANIFESTED POWER OF GOD

## PROPHETESS NICOLE RAGGUETTE

It was the summer of 2014 and there was a service being held at Bishop Kidd Junior High School in Calgary, Alberta, Canada. Apostle Bible Davids and Prophetess Rebecca Bible-Davids held a miracle service in the big gymnasium. I'll never forget what took place in that building because it changed the narrative of my life forever.

Prior to that healing and miracle service, I remember that Apostle Bible Davids had said that there was going to be healing happening and that God had a divine plan for that day and to make sure we invited somebody. I was at a Bible study a few days before and I was very cold on that particular day. And I had my car parked right in front of the campus it was being held so there was no reason for me to be turning to the right or turning to the left but I was led to turn to the right and when I looked down the street I saw a woman in a wheelchair and I went down the street to speak to her. I asked her name she told me her name is Linda, I invited her to the service and believed in faith that God would heal her.

And I remember as the service started and I was looking around I was wondering so where is this woman and she's not here and I thought oh my goodness she's going to miss her opportunity to be healed.

All of a sudden, she was wheeled in by her husband, whose name was Blaine. They came in and the worship music was so beautiful and then came a mighty wave of the manifestation of the glory of God.

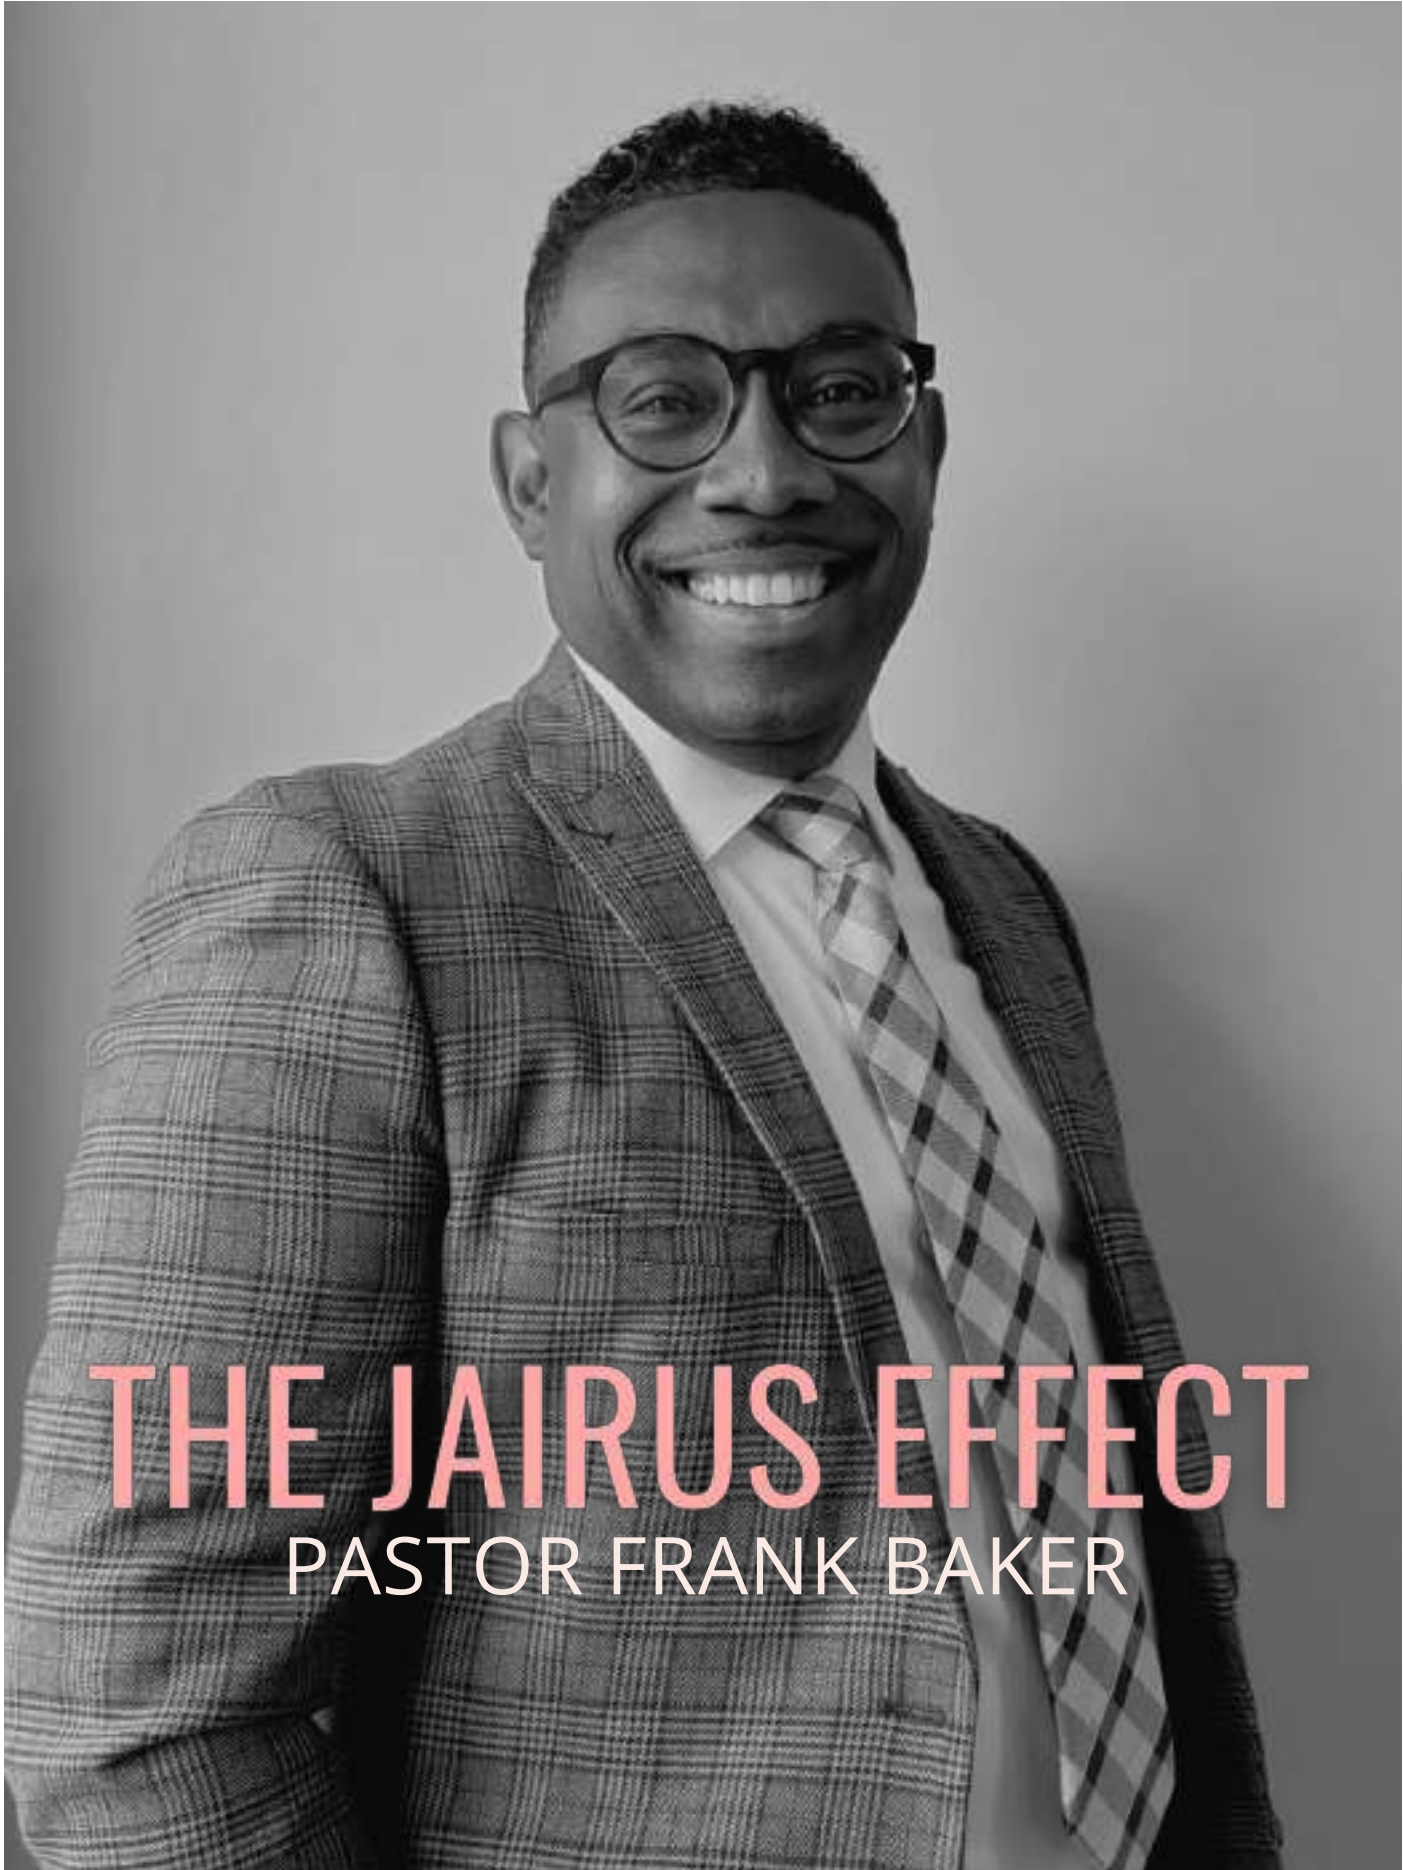

And then it was her turn she was called up to the front and Apostle and Prophetess Rebecca Bible-Davids began to pray for this woman. My 6 years old son and I knelt beside Linda and prayed, within a matter of minutes Linda got up out of that wheelchair and she walked. That moment has changed everything for me and my family.

On that particular day and at that particular time and at that particular moment I understood the supernatural healing power of the living God!

I understood that God is limitless in all of His ways. I understood that God is faithful beyond what I could even imagine. And I have lived my life with the faith that He will do everything that He says He's going to do. I have seen thousands of miracles in this house since that day in Supernatural Life Center and my loved ones have been the recipient of multiple miracles.

I've witnessed miraculous healing of a 15 years old boy that was on his deathbed and God raised him up in hospital.

# THE JAIRUS EFFECT

PASTOR FRANK BAKER

“

*I pray that you are delivered from self-conceitedness so you can receive from Jesus*

”

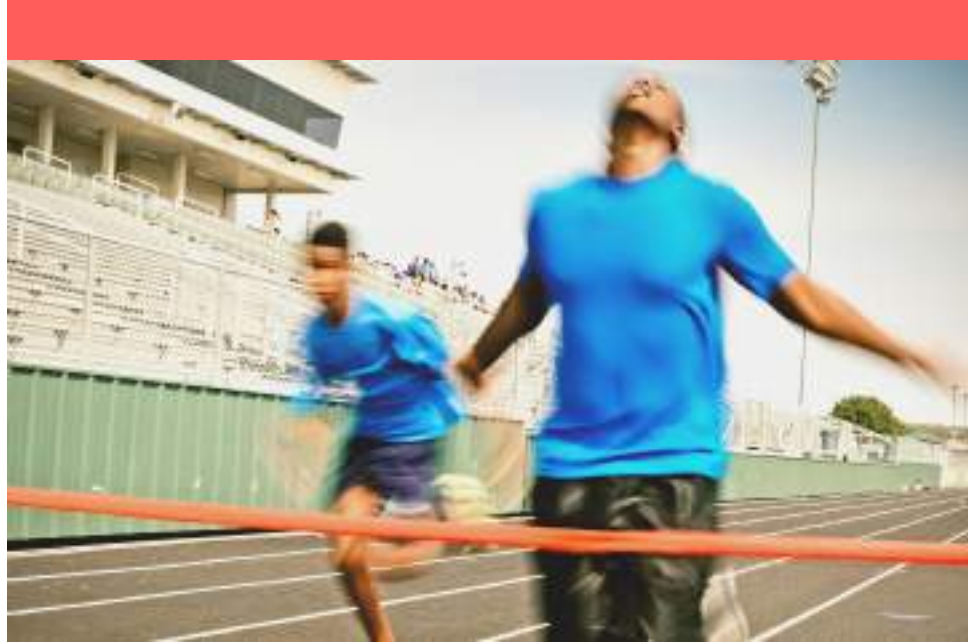

# The Jairus Effect.

## GOD IS AN EXPERT AT TURNING DEAD ENDS TO NEW BEGINNINGS

*Hearing this, Jesus said to Jairus, “Don’t be afraid; just believe, and she will be healed.” When he arrived at the house of Jairus, he did not let anyone go in with him except Peter, John and James, and the child’s father and mother. Meanwhile, all the people were wailing and mourning for her. “Stop wailing,” Jesus said. “She is not dead but asleep.” They laughed at him, knowing that she was dead. But he took her by the hand and said, “My child, get up!” Her spirit returned, and at once she stood up. Then Jesus told them to give her something to eat. Luke 8:50-55*

There was a man named Jairus. The Bible describes him as a leader of the synagogue,. He had a 12-year-old daughter, the daughter felt gravely ill, to the point of death. Jairus being a leader in the synagogue had certain reputation that he had to maintain. Under today's law, he had to maintain a particular series and sequence of rules and precepts that were inherent to the position that he fulfilled as a leader in the synagogue. But he became a desperate man. Having nowhere to turn, he heard about the Jesus Christ the King of Israel, but never met him. But on that day, he learned that the King was passing through. And so he felt, I gotta get out there. I gotta see this Jesus. I've heard about him being the Messiah. I've heard about him being the One to bring salvation and bring us into the kingdom of heaven. But that was not his traditional teaching. That was not his upbringing.

You see, there were several things that he struggled with. In his struggle, he had to make a very crucial decision. It wasn't a very comfortable one, but it was a desperate one. I see myself as a Jairus and I see many Jairus here; they've gone through certain seasons and experiences in life where you're desperate and you

*Abandon the protocol of the natural, embrace the supernatural and let God establish your next level as an evidence of His grace*

---

don't know where your help is coming from. You may have from amongst familiar people in the old environment, a seemingly safe place where you hear a lot of things from your support mechanism if you will, that doesn't speak life in you, that doesn't build you up, and doesn't really speak to the need that's in you, not certainly not able to give you the miracle that you need. And so Jairus made a very conscientious decision, that as a ruler of the synagogue, he's going to put all his reputation on the line to see Jesus.

His daughter was dying and the only one cure that he knew would help was to reach out and touch Jesus. So while the woman with the issue of blood was in the crowd, he pressed in and was able to penetrate the crowd, and said, to Jesus, "Master, my daughter is at home, she's dying, if you would come and just place your hand on her, she certainly shall live."

Now, he had a supernatural revelation in that moment, because as a leader in the synagogue he was not used to seeing these type of miracles. But he knew that in that moment, that this was the only cure for an impending death, or certain death.

He expressed his faith in Jesus by simply reaching out to him and asking Jesus to touch his daughter. This is again against his rabbinical reputation. He went for his miracle. I believe in my spirit, as the Lord has placed in my heart for the last week and a half, when he mentioned the Jairus effect that he wants to do it in someone's life.

He wants for someone like Jairus to push through what seemingly is an impossibility and receive a breakthrough. Here is the funny thing about Jairus, so this desperate man pushed through the crowd that surrounded Jesus to get to him for his dying daughter.

***You need to stay at the place GOD put you, else you might miss that miracle!***

# LET GOD DO THE SHIFT!

Sometimes we want to do things at the time that seems fair to us and I can tell you, that's me. God could have done certain things fast enough in my life and so he has had to slow me down sometimes to bring me back to a place where my total dependency will be on Him. And when I say I can do things on my own, I made a mess. I've made a mess of things in my life because I thought I could have done it on my own.

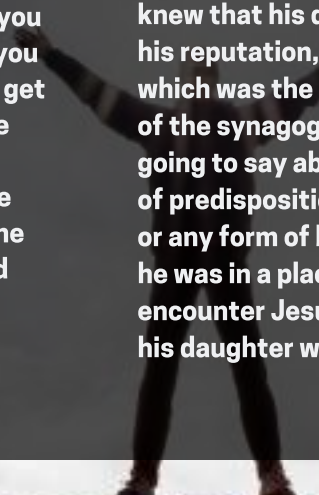

Jairus knew that this Messiah he heard about was his miracle and so he had to stay in that place, it was getting busy, there were a lot of distractions in that place, there were people that were pressing up on Jesus, there was noise all around him but he stayed fixed. His eyes was fixed on Jesus because if he dared move anywhere he would have missed his miracle. So Jesus took Jairus and with him He got Peter and James and the crowd followed Him. The parents were also there and when they got to the house and Jesus was outside and they were saying she's dead and you know there's no use. Jesus who just healed the woman with the issue of blood, whom before then calmed the raging sea, whom before then casted out the demon from Mary Magdalene, whom before then casted out legions, whom before then healed the blind and caused the lame to walk, this same Jesus told them she isn't dead, she's sleeping but they laughed.

My God! What a spirit of witchcraft that was. You come up to a house with depression, sadness and negativity and you cast down the person that needed support. And then the King of kings, the Lord of lords, the Messiah steps in and tells you that she is not dead but she is sleeping and you turn around and laugh at Jesus? Jesus said get them out, I don't want more than these three disciples and the mum and dad. I think the message for me in this is getting some of the people, the old influence, the unbelievers, the critics, the people who post on Facebook and

Instagram saying, "what's he talking about, who does he think he is, look at her hair-do/cut, you know I know him when he was 10 years so who is he fooling" These very same people who we brought into our lives and allowed to stay there are the very same ones who did not only laugh at Jesus but are laughing at you. They are not always there to pick you up or pray for you when you stumbled and fell, but God is calling us to a place of sanctification, to come out from among them and be separated. Do not be among those who will pull you and tear you down but those that will pray you into the release of destiny; people that will stay with you all night saying, "Yes I know you can do it, the blood of Jesus is gracious and more than enough". The people that you know that when you are down and out and you need to hear the Word or hear a sort of song that would remind you that yes, Jesus loves me because the Bible tells me so, these are the kind of influences that we need in our home, at work, and when we are out in recreational areas in our societies. These are the kind of elements that we need to associate ourselves with and to ensure that we embrace.

We don't need a whole lot. It's very hard especially when we go through difficult seasons and I myself have gone through mine and still going through some. But it's very hard sometimes to not want to reach out to the familiar, those that you roll with, people you did life with.

I believe in my spirit that what the Lord is asking us for, is to understand the Jairus effect. Jairus knew that his daughter was dying, he abandoned his reputation, he left what was familiar to him which was the function of his office as the priest of the synagogue, he didn't care what anyone was going to say about him, he no longer had any kind of predisposition, or any form of human meaning or any form of bad report coming to him because he was in a place where he knew he wanted to encounter Jesus and yes, he got his miracle and his daughter was raised back to life.

# SELF-ESTEEM GAUGE MECHANISM

- MTISH

---

Psalm 32:3 - "When I kept silent, my bones wasted away through my groaning all day" Proverbs 12:25a - "Anxiety weighs down the heart" .....

## SILENCE/QUIETNESS

(What you bottle, you will battle....)

Quietness is different from silence. You can be silent and not be quiet and you can be quiet and not be silent. A healthy self-esteem is the overall estimate of yourself irrespective of your past and present condition. This healthy esteem of yourself could make you quiet in nature but not silent when there is a need to speak.

Quietness literally means to be less noisy or talk less while silence depicts no sound or no speaking at all. Quietness is more specific to personality while silence is specific to situations.

In my years of teaching self-esteem, I have discovered that people suffering from low self esteem may not be quiet in nature(personality), but are silent on salient issues bothering their life and wellbeing. Low self esteem mostly emanates from our backgrounds, past pains/ experiences, life occurrences, unhappiness, bullying, societal beliefs, religious/doctrinal imposition etc. Quietness is actually important in certain times in order to be able to think and process our thoughts.

# SILENCE WILL NOT BRING HEALING, IT MAKES YOU BOTTLE THINGS, IT MAKES YOU SUFFER LOW SELF-ESTEEM AND KEEPS YOU DEPRESSED. SPEAK UP!!!

Silence on the other hand keeps you in a place of hoarding vital information because of fear of being criticized, judged or condemned. A lot of people look happy on the outside, groovy, lively, friendly and funny but inside they are keeping things.

## “What you keep can actually kill you”

Until you get to the point of openness, wholeness is almost impossible.

## “Openness precedes wholeness”

The devil most times whispers erroneous things in our minds so as to rob us of our peace. He tells you if you speak up, you’d be criticized or judged.

A healthy self esteem is the overall estimate of yourself irrespective of your past and present condition.”

He creates fears and wrong scenarios that makes you live in denial. You need to own up and face your fear, that way you knock the devil out, get your peace, boost your esteem and be free from depression.

We most times takes certain coping strategies to keep us locked in our fear and anxiety. Some people take to eating, sleeping, clowning, drug abuse, sexual immorality, over working, slothfulness etc. We fear being condemned by mortal men when God is not condemning us. The Bible says **“There is therefore now no condemnation for those who are in Christ Jesus, who walk not after the flesh, but after the spirit of God” (Romans 8: 1 KJV).**

Quit bottling things, remember you battle what you bottle. It remains locked up on your head and thoughts until you let it out. Speak to a trusted person; your pastor, spiritual head or a therapist. Find the person in your pain and harness the gain therein, that’s where your healing process begins from.
